

SX TECH EU

a premier sex tech hub since 2019

Conference Deck

SX TECH EU WAS ESTABLISHED IN 2019 IN .

We are an international platform and host of the world's first annual conference, serving as a global nexus for the convergence of sex technology and the adult industry.

Over the years, our mission has evolved into a premier sex tech hub, uniting professionals, innovators, and enthusiasts from diverse sectors such as sex technology, sexual wellness & health, and adult tech.

WHAT WE DO

We foster the technological ecosystem for Sex Technology by bringing together industry professionals. As organizers of the annual SX Tech Conference, we have played a pivotal role in shaping the conversation surrounding sex technology, nurturing a dedicated community committed to responsible industry advancement. Our impact includes breaking down barriers, challenging stigmas, and promoting a healthier, more informed approach to sexual wellness through industry leadership and tools such as:

Networking Meetups for Sex Tech Innovators

Talent Acquisition Solutions

Marketing and PR solutions for Sex Tech and Adult Tech businesses.

Expert Business Advisory and Mentoring

Business Hackathons and Demo Days

Introducing accelerator tools for the emerging new-commerce in the Sex Tech Industry

CONFERENCE OVERVIEW

SX Tech EU, founded in 2019, is an international platform and first-world annual conference that serves as a global hub for the intersection of sex technology and the adult industry. Over the years, this event has become a leading assembly, uniting professionals, innovators, and enthusiasts across diverse sectors such as sex technology, sexual wellness & health, and adult tech.

SUCCESSFUL SEX TECH ETHICAL LOBBY

Market Expansion

As startups grow, they can expand their reach to new markets and demographics, increasing the overall market size for sex tech products

Innovation and Diversity

Successful growth would encourage more innovation and diversity within the sex tech industry

Improved Accessibility

With successful growth, sex tech startups can invest in improving accessibility to their products, making them more affordable and available to a wider audience.

Increased Investment

Thriving startups draw more investment, from venture capitalists and industry insiders alike, boosting innovation and growth in the sex tech ecosystem.

Shared Technologies

Shared technologies foster collaboration, accelerating innovation for startups by enabling efficient and cost-effective product development.

Ethical Approach

By providing innovative ethical solutions to sexual health issues, these startups can contribute to overall well-being and satisfaction in society
