

Sx Tech Eu Brings Big Change to Big Intersection of Adult Business

The 2022 Agenda is Shattering Glass Ceilings as Sexual Technology Showcases At Sx Tech

Eu Conference 2022

[Berlin, Monopol, 27.10.2022]

The business intersection is the Main Agenda for Sx Tech Eu's 4th Annual Conference.

Returning for its 4th annual conference in 2022 with an exciting program, Sx tech Eu's agenda puts sectorial intersection and sexual inclusiveness front and center.

Never before has a sexual technology conference been invited to showcase so many intersectional collaborations.

With over 80% of SxTech Eu's professional panelists and partners identifying as female, with a strong representation of the content creators and adult platforms, they were elevating a marginalized demographic in Adult Business and blurred the borders between the "adult sector" and sex technology.

The conference takeover starts with the Sx Tech Eu side event

VIP CEO hosting professionals from BIG Tech and Mainstream sectors such as Google and Charite bridged with entrepreneurs from broadly painted sex tech sector, sexual wellness and health including reproductive health sector as well. The event is invite-only based, with minimal tickets available for the public via the SX Tech Eu website.

Sx Tech Eu's Global Sponsors Are Making Bold Statements
